

GETTING AROUND THE NEW NWC.EDU

Below we've provided a few screenshots of the homepage and accompanying helpful tips for navigating the new nwc.edu.

1. USER ROLES

Select the user role that best defines you. Are you a **future student**? Are you a **parent**? Click on the appropriate link to find Northwestern information tailored to YOUR needs.

2. SEARCH OPTIONS

Looking for something specific but not sure where to find it? Use the **Quick Links** drop-down menu to see several specific areas, or use the **Search** box to find what you're looking for.

3. NAVIGATING YOUR WAY

So, you've started browsing the website and want to return to the page with all of the Academic Departments..how do you get there? Toward the top of each page on the right, you'll find a "breadcrumb" trail, marking the pages you've clicked on. This allows you to easily trace your steps to find what you're looking for. You can also click on the top bar of the left navigation to return to the "top" of a certain section.

The screenshot shows the Northwestern College website. At the top, there is a navigation bar with links for ABOUT, ACADEMICS, ADMISSIONS, ATHLETICS, EMPLOYMENT, NEWS & EVENTS, and OFFICES. Below this is a search bar and a "QUICK LINKS" dropdown menu. The main header features the Northwestern College logo and name, along with contact information: "ST. PAUL, MINNESOTA" and "FOR INFORMATION: 800-692-4020". A secondary navigation bar includes "Future Students", "Alumni & Friends", "Parents", and "Community & Visitors". On the left, a vertical navigation menu lists various academic departments, with "ACADEMICS" highlighted in a red box. The main content area features a banner titled "Focused on Community" with a photo of students. Below the banner, a breadcrumb trail is shown in a red box: "Home > Academics > Academic Departments", with the number "3." next to it. Underneath, the "ACADEMIC DEPARTMENTS" section is visible, starting with "ART & GRAPHIC DESIGN" and a brief description of the program.

4. GETTING HOME

Want to simply start over? Click on the **Northwestern College logo** in the top left and it will take you to the home page.

This screenshot is identical to the one above, but with a red box highlighting the Northwestern College logo and name in the top left corner, with the number "4." next to it. The breadcrumb trail and other content are the same as in the previous screenshot.

5. RESOURCE LIST

If you're looking for a detailed overview of what the NWC.EDU site has to offer, follow either the **Site Map** or **A-Z Index** links at the bottom of the page. Here you can get a once-over of what's on each page or under each web category. Use the drop-down menu to specify an area of interest—curious about the Department of Business? Select “Business” in the menu and you'll find a list of links for each page of the Department of Business.
