

University of Northwestern – St. Paul

2013-2014 Verification Worksheet

Your application was selected for review in a process called “Verification.” Federal law requires us to collect this information before disbursing federal aid. If there are differences between your FAFSA application information and this worksheet and/or other financial documents, Northwestern may need to make corrections to the information on your FAFSA. Students will receive an award offer within two weeks once the verification process is complete.

READ CAREFULLY

The financial aid office is required to verify the size of your family’s household, income information, high school completion status, and identity/statement of education purpose. You must follow these three steps in order for us to proceed with verifying your FAFSA:

- 1) Complete all sections of the Verification Worksheet and **SIGN the worksheet**
- 2) If you received income in 2012, we will need to verify your income:

For federal income tax filers:

The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. *If you would like to do this, log into your FAFSA, chose the ‘Make FAFSA Correction’ and then ‘Financial Information’. You will then be able to use the IRS DRT. Submit your updated FAFSA once the data retrieval is complete.* In most cases, no further documentation is needed to verify 2012 IRS income tax return information that was transferred into your FAFSA using the IRS DRT if that information was not changed.

If you choose to not use the IRS DRT or are not eligible to use the IRS DRT, we will need a copy of your 2012 IRS tax return transcript. **Federal regulation prohibits us from using the 2012 US Income Tax Return to complete verification.** *To obtain a free IRS tax return transcript, go to www.irs.gov and click on the “Order a Return or Account Transcript” link, or call 1-800-908-9946. Make sure to request the “IRS tax return transcript” and not the “IRS tax account transcript.”*

For non-federal income tax filers (or for those with no income in 2012)

Please refer to instructions in section C and D of this Worksheet for instructions on how to report income.

- 3) All students (including those who used the IRS DRT) must return the **SIGNED** and completed Verification Worksheet to the financial aid office. If you did not use the IRS DRT, submit a copy of your 2012 IRS tax return transcript.
