

University of Northwestern – St. Paul 2013-2014 Verification Worksheet

Your application was selected for review in a process called "Verification." Northwestern will be verifying certain information regarding your family's child support. Federal law requires us to collect this information before disbursing federal aid. If there are differences between your FAFSA application information and this worksheet and/or other financial documents, Northwestern may need to make corrections to the information on your FAFSA.

Please complete this verification form as soon as possible and return it to the University of Northwestern – St. Paul Financial Aid Office so that your financial aid will not be delayed. Students will receive an award offer within two weeks once the verification process is complete.
