The following information is applicable to all music majors/degrees:

Accreditation

The University of Northwestern is an accredited institutional member of the National Association of Schools of Music (NASM).

Admissions Procedures

Applicants desiring to pursue a music degree should follow standard admissions procedures with the Office of Admissions. Entering freshmen who indicate their intent to work toward a major in music are considered pre-music majors until they successfully complete the Music Major Progress Interview.

Entrance Auditions

Entrance auditions are required for all students wishing to pursue a Bachelor of Arts in Music, Bachelor of Science in Music, Bachelor of Music, or Bachelor of Music Education degree. Please refer to unwsp.edu/music for audition guidelines, requirements, and dates.

Auditions: Ensembles and Private Lessons

All music majors are required to participate in a major performance ensemble and to take private lessons in their primary performance area. Ensemble auditions for students new to UNW are held during new student orientation. For audition information and dates, please contact the Music Office at 651-631-5218 or 888-878-5514.

Music Major Progress Interview

During the sophomore year, the Music Major Progress Interview is to be held before the music faculty. The Interview assesses the student's progress in lower-level music courses and, upon successful completion, grants formal status as a music major, thereby permitting access to 4000-level music courses. Please contact the Music Office for information and guidelines regarding the Music Major Progress Interview.

Music Theory Placement Exam

Incoming students with substantial background in music theory may choose to attempt a placement exam to test out of portions of the theory or sight singing and ear training sequence. More information is available from the Music Office.

Piano Proficiency

Each music degree has a piano proficiency requirement. Students must be enrolled in either MUP2013 Group Piano or private piano lessons each semester after MTC1007 Music Theory Foundations until the applicable Piano Proficiency Exam is passed.

Transfer Students

- All transfer music major applicants must go through the Music Audition Application process (including the online Music Theory Placement Exam) in order to be admitted (see unwsp.edu/music).
- At least 50% of the required ensemble credits for a music major/minor must be completed at UNW.
- The number of applied lesson credits accepted by UNW will be determined after one semester of applied lessons at UNW.
- Placement exams may be required for transfer credit for coursework in music theory/sight singing and ear training. This policy applies to both transfer applicants and current UNW students. Transfer credit and/or placement in the UNW theory/sight singing and ear training sequence will be based on the applicant's performance on the exam. Contact the Department of Music & Theatre to schedule an exam (651-631-5218 or 888-878-5514).

Grades

All coursework in music must be passed with a grade of C- or above. For the Bachelor of Music Education, all coursework in the major, both music and education, must be passed with a grade of C or above.

Articulation Agreement in Music

Northwestern has an articulation agreement with Anoka-Ramsey Community College (ARCC) that facilitates credit transfer and provides a smooth transition for a student's Associate in Fine Arts: Music from ARCC to Northwestern's Bachelor of Arts degree in Music. Students must complete the entire ARCC program and meet Northwestern's admission requirements. Students must earn a grade of C- or better for credits to transfer. Students must fulfill the graduation requirements at both institutions. Contact the Office of Admissions at University of Northwestern at admissions@unwsp.edu for the Program Articulation Table to see which specific courses will transfer.
