

Department of Interdisciplinary Studies

Mission Statement

The purpose of the Department of Interdisciplinary Studies is to provide a quality, comprehensive academic experience for students with academic aspirations not served by any other academic department major at University of Northwestern – St. Paul. The students in this department are motivated to pursue a creative degree plan that prepares them to achieve their academic and career goals and equips them to integrate their Christian faith in learning and career.

Interdisciplinary Studies Major

Bachelor of Arts or Bachelor of Science

The Interdisciplinary Studies student, in consultation with faculty advisors, designs a coherent program of study that meets specific academic goals. Students are required to complete an application process under the oversight and direction of the Chair of the Department of Interdisciplinary Studies. Proposed curricula and outcomes will be approved by a faculty advisory committee consisting of the Chair, and a faculty member from each of two primary disciplines. Ongoing academic advising, recommendations, and support are provided by the advisory committee. The program is open to self-motivated students who have identified clear academic and career goals and have met the minimum GPA requirement of 3.000 or have provided other compelling documentation. See the Chair of the Department of Interdisciplinary Studies for further information.

- **B.A. option** requires achieving 1002-level competency in an approved foreign language. See page 50.

Degree Requirements

1. The program will include at least 125 semester credits, with a minimum of 40 upper-level credits.
2. The student must meet all core curriculum and graduation requirements.
3. The major will consist of at least 48 credits in at least two academic areas with no more than 30 credits in one area.
4. At least 50% of the major must be completed from University of Northwestern.
5. The student must register for IDS4845 Capstone Project (4 credits) and BUS3835 Professional Skills Seminar (2 credits) and complete an integrated capstone project that documents their attainment of degree learning outcomes and highlights their scholarly achievement and professional competency. This course serves as both the WCE and the OCE for the IDS major.

Examples of Programs of Study
